

Hello! My name is Jodi Nemec, and I am the new director of the Heritage Club. Nola Hannon retired at the end of May. We wish her all the best as she begins this exciting new chapter of life!

Some of you may find my face familiar. I previously worked at the Fremont Family YMCA for 15 years in the marketing department and in the Wellness Center. I am married to Jay, who is a program manager with the non-profit, Rebuilding Together. We have three sons, Max (24), Ethan (22) and Nick (20). Jay and I enjoy traveling and attending theater events, so we look forward to going on adventures with you! I am also an avid reader, so we may look at adding a book club at some point.

Through surveys handed out at the Movie Morning in June, and sent through our email list, I collected feedback on ways to update our "Club". You may notice that our activities for the rest of the year are more diversified. Hopefully, you will enjoy these new opportunities to get together. Since these events are a perk for our Heritage Club members, non-members will be assessed a \$5 fee/event to participate.

The newsletter will now be available only via email, at our bank locations, or at events. If we do not currently have your email address, please contact me at jodi.nemec@pinnbank.com.

I would highly encourage you to attend the **Senior Fraud Seminar** in August. We are seeing a huge uptick in fraud, and want to educate you on how to keep your money safe!

I look forward to getting to know all of you better. We appreciate your business!
